Restoration Update

June 2/3, 2012

Recently we unveiled our new mission statement, **Restoring Our Broken World**, which is gaining traction behind the scenes. Curriculum is being written... new missions partnerships are being pursued... our values and vision are being revised... and several people are already making it a reality. On June 2/3 we will unveil the next chapter, with an update as well as a preview of things to come. You won't want to miss it.
