Helpful tips from

## the American Bible Society

**Set aside time...** to read the Bible on a regular basis. Be realistic. For some people, this may be a few minutes once a day. For others, it may be a longer time a few times a week. Try to make it about the same time each day.

**Find a quiet place...**so that you can be alone with your thoughts without being disrupted. You may find it helpful to have a notebook to jot down questions and thoughts.

**Begin by praying...**ask God for an open mind and for His guidance.

the Word of  
**God**

is living and active.

Sharper than any  
double-edged sword,  
it penetrates even to dividing  
soul and spirit, joints and  
marrow; it judges the thoughts  
and attitudes of the heart

Hebrews 4:12
